

**MOON TOWNSHIP MUNICIPAL AUTHORITY
TAP FEE SCHEDULE
January 26, 2017**

RESIDENTIAL WATER TAP FEES – METER IN RESIDENCE

Service Line / Meter Size	Township Road	County Road	State Road
3/4" Service Line w/ 3/4" meter	\$2,378	\$3,073	\$3,051
1" Service Line w/ 3/4" meter	\$2,425	\$3,120	\$3,098
1" Service Line w/ 1" meter	\$2,473	\$3,168	\$3,146

PRIVATE RESIDENTIAL FIRE SERVICE

Dual Meters for Fire and Domestic Service – This system consists of separate domestic and fire meters. Customers with a separate fire meter will be billed \$45/year for administration of backflow preventer inspection records and maintenance of the meter.

Meter Size	Dual Meters for Fire and Domestic Service Fee
3/4"	\$330
1"	\$365

Single Meter for Fire and Domestic Service – This system uses one meter to supply both the Domestic and Fire Service. Customers with a single meter will be billed \$15/year for administration of backflow preventer inspection records.

RESIDENTIAL SANITARY SEWER FEES

Fees based on the size of domestic meter where connection from the sewer main to the lot is existing.

Meter Size	Sanitary Tap Fee
3/4" or 1"	\$1,407

IRRIGATION METER CHARGE FOR SEWER DEDUCT METER

Meter Size	Meter Fee
3/4"	\$253

Note: Tapping fees for any line or meter size not listed above will be calculated on an individual basis. 3/4" x 5/8" meters are no longer available for domestic water services. Additional fees will be assessed if a water meter pit is necessary. Additional costs will apply for sewer connection if not previously installed. Additional costs may apply due to site specific assessments or special tap fees.
